Dear Valued Customer,

Thank you for visiting our certifications page. We unfortunately do not have the current certificate available at this time.

This manufacturing location, Klingenberg [KYOCERA AVX Components (Dresden) GmbH] is currently undergoing a certification process according to IATF 16949:2016 with TÜV Rheinland Cert GmbH. The process is being conducted under the certificate number (ZN): 01 111 021425 and order number 0037198272. The process is currently in the audit phase. Upon processing, auditing, and in the event of a positive certification decision, the certificates will be issued, dispatched and promptly posted to this site. If you have any questions, the Quality Manager for this location is Joachim Müller (joachim.mueller@kyocera-avx.com).

We value your business. Please accept our apologies. Thank you for your understanding in this unfortunate matter.

Regards,

KYOCERA AVX Quality
