Subject: Quality Policy, Mission Statement, Vision Statement

From: Marc Beaulieu
Corporate Vice President of Quality
Corporate DPO
KYOCERA AVX Components Corporation

Corporate Quality Policy:

As part of our strategic plan, each person is accountable for product quality by ensuring we are:

- Consistently exceeding customer expectations and product requirements through continuous improvement of our quality management systems
- Creating and nurturing a quality culture through education and training
- Fostering a “zero defect” mindset throughout the organization

Corporate Mission Statement:

Delivering technologies and products for tomorrow's solutions

Corporate Vision Statement:

KYOCERA AVX will foster an environment where our employees can reach their full potential. We will achieve superior customer satisfaction and expand our business by developing technologies and products that enhance society while delivering tomorrow's solutions.
